Formats: Two formats will be used; stroke play and Stableford scoring. Stroke play will be the most common format. When Stableford scoring is used you will record your strokes and the committee will determine your Stableford score. It will be used infrequently. Scrambles may be played occasionally.

Stroke Play: Count all strokes taken to record a total nine hole score. Handicaps will be subtracted by the committee to calculate your net score. The lowest score wins.

Weekly Prizes: Each week prizes will be awarded on an individual basis to the top two golfers. Side contests may change from time to time.

Handicaps: Handicaps are calculated for the league and are based on scores for nine holes. The handicaps will be calculated every week using a system similar to the OGA. The handicaps will be applied to the scores to

Year End Prizes: 1st place 3 points

2nd place 2 points

3rd place 1 point

Side contest 1 point

Attendance 1 point

The points will accumulate through the season and prizes will be awarded at the closing banquet to persons with the highest number of points.
