Monday, September 30

**JOIN US FOR FUN**

Please arrive by 12:30 PM for a 1:00 PM tee off

**Formats:** Stroke play will be the most common format. Handicaps will be calculated weekly.

**Stroke Play:** Count all strokes taken to record a total nine hole score. Handicaps will be subtracted by the committee to calculate your net score. The lowest net score wins.

**Weekly Prizes:** Each week prizes will be awarded on an individual basis to the top golfers. Side contests may change from time to time.

**Handicaps:** Handicaps are calculated for the league and are based on scores for nine holes. The handicaps will be calculated every week using a system similar to the OGA.

**Points Awarded:** 1<sup>st</sup> place 4 point

2<sup>nd</sup> place 3 points

3<sup>rd</sup> place 2 point

Side contest 2 points

Attendance 2 point

The points will accumulate through the season and prizes will be awarded at the closing banquet to persons with the highest number of points.

This is a fun league but we take golf seriously. Winter rules apply to the fairways only. In the rough, play the ball as it lies unless it is dangerous. There are no gimmes.

## Money Allocation

If 1 person wins 1<sup>st</sup> place 60% and 2<sup>nd</sup> 40%

If 2 persons tie for 1<sup>st</sup> 40% to each & 20% to 2<sup>nd</sup> place

3 or more tied for 1<sup>st</sup> 100% divided between players
